## **SECTION V: - TERMS OF REFERENCE**

### **1.0 Background**

The Department placed an intention to plan 163 urban centres within the county on the 22<sup>nd</sup> October, 2019. Consequently, an expression of interest for competent firms with capacity to undertake the exercise was also advertised in the Daily nation of 27<sup>th</sup> May, 2020. Interested firms applied and an evaluation was carried out.

In line with the above undertaking, it is prudent that the planning of these centres is broken down into clusters and priority be given on the basis of functions of the centre, potential of growth of the centre, geographical/strategic location of the centre and population of the centre. Based on these parameters, the department has grouped and prioritized preparation of the local physical and land use development plans for 163 urban centres as follows:
